Abstrak

Global Corporate Finance, sixth edition provides students with the practical skills needed to understand global financial problems and techniques. Retains the user-friendly format of previous editions while offering expanded material on corporate finance and governance, international markets, global financial dynamics and strategies, and risk management techniques. Each chapter begins with a real-world case study to be explained by theories and research findings presented throughout the chapter. End-of-chapter mini-cases further reinforce students' understanding of the material covered.
